

Does the EDQM provide certificates of analysis for Ph. Eur. reference standards?

You are here:

[EDQM FAQs](#) / [EDQM FAQs in English](#) / [QUALITY & SAFETY](#) / Does the EDQM provide certificates of analysis for Ph. Eur. reference standards?

Answer:

The EDQM does not provide certificates of analysis for Ph. Eur. reference standards.

The EDQM provides an information leaflet that contains all of the information needed to carry out the tests and assays described in the related monograph (s). This leaflet can be downloaded from the [Ph. Eur. reference standards database](#).
