

How do I find out about new collaborative studies for establishment of Biological Reference Preparations (BRP)?

 You are here:

[EDQM FAQs](#) / [EDQM FAQs in English](#) / [BIOLOGICAL STANDARDISATION PROGRAMME](#) / How do I find out about new collaborative studies for establishment of Biological Reference Preparations (BRP)?

Answer:

Information on collaborative studies is available:

- on the [EDQM website](#);
- at the annual meeting of the General European OMCL Network (GEON), if you are an official medicines control laboratory;
- from your association, if you are a manufacturer.
