

Does the EDQM provide safety data sheets (SDSs) for the standards it supplies ?

You are here:

[EDQM FAQs](#) / [EDQM FAQs in English](#) / [QUALITY & SAFETY](#) / Does the EDQM provide safety data sheets (SDSs) for the standards it supplies?

Answer:

Safety data sheets (SDSs), where available, can be found in the following databases:

[European Pharmacopoeia Reference Standards](#)

[WHO International Standards for Antibiotics](#)

[WHO International Chemical Reference Substances](#)

For more information on SDSs, please see the [Safety Management System](#) page on our website.
