

Will my order of EDQM reference standards be delivered to my office?

Answer:

This depends on the type of products shipped, the shipping temperature and the country of importation. Please refer to our [Order & dispatch of EDQM products](#). To find out which products are delivered door-to-door (DAP) and which are delivered to the nearest airport with customs facilities (CIP), see the [P h. Eur. reference standards database](#).

If there are several possible airport delivery points or if the only one is located far from the delivery address, the EDQM will contact you for confirmation (unless you stated a preference in your purchase order form or on the import permit).
