## What is the intended use of the WHO International **Standards for Antibiotics?**

(i) You are here:

EDQM FAQs / EDQM FAQs in English / PRODUCTS AND SERVICES (Publications, Reference standards, CombiStats) / International Standards for Antibiotics / General information on International Standards for Antibiotics / What is the intended use of the WHO International Standards for Antibiotics?

## Answer:

International Standards for Antibiotics should be used to establish national/regional secondary standards. ISAs should not be used as working standards. T HEY ARE NOT INTENDED FOR HUMAN OR ANIMAL USE.
