/ What are the technical requirements?

Answer:

The online version can only be used via the website. Starting with the 11th Edition of the Ph. Eur., it is no longer possible to install the application on a computer or USB device.

Technical requirements:

- Computer with access to the internet;
- Supports all current operating systems (Windows, macOS, Linux);
- Runs on recent versions of all modern browsers including Chrome, Edge and Firefox. Limited functionality with Internet Explorer;
- Runs on tablets and smartphones;
- Acrobat Reader for viewing PDF documents.
