

What should I do if I need to cancel my registration?

If you wish to cancel your participation in a free webinar, you can notify the EDQM's Events team via the [EDQM HelpDesk](#). This means that you will not receive any of the follow up emails with links to watch the recordings and to download the slides.

For information on how to use the EDQM HelpDesk, please see the [HelpDesk User Manual](#).

You can also cancel, by clicking on 'cancel your registration' link available in the confirmation email sent after your webinar registration.
