Answer:

You can place an order or request a quotation via [our web store](#). [Watch this video guide for placing an order](#).

Your orders and quotation requests can also be sent by email to orders@edqm.eu. Please note that your request has to be printed on your company's letterhead and attached to your email.

Please note that the name of the product, the item code as well as the number of sales units (not mg) must be clearly mentioned in your order.

Do not submit the same order multiple times as you will be financially responsible for duplicate orders made.
