

What is the intended use of the WHO International Standards for Antibiotics?

You are here:

[EDQM FAQs](#) / [EDQM FAQs in English](#) / [PRODUCTS AND SERVICES \(Publications, Reference standards, CombiStats\)](#) / [International Standards for Antibiotics](#) / [General information on International Standards for Antibiotics](#) / What is the intended use of the WHO International Standards for Antibiotics?

Answer:

International Standards for Antibiotics should be used to establish national/regional secondary standards. ISAs should not be used as working standards. **THEY ARE NOT INTENDED FOR HUMAN OR ANIMAL USE.**
