Answer:

Licences are not renewed automatically. You need to purchase a new licence each year. The full list of available licences can be found in the [EDQM Store](#).

To renew your licence, you can place your order through the [EDQM Store](#) or send an e-mail to orders@edqm.eu (your order needs to be on your company's letterhead paper and attached to the e-mail) or place your order via your usual reseller.
