Answer:

You need to purchase a new subscription every year. We send reminders when subscriptions can be renewed.

Please note that subscriptions are not renewed automatically. To renew your subscription, you can place your order through the [EDQM Store](#) or send an email to orders@edqm.eu (your order needs to be on your company's letterhead and attached to the email) and indicate which subscription you want to renew. The full list of the available subscriptions can be found in the [EDQM Store](#).
