

What quantity of products should I order?

You are here:

[EDQM FAQs](#) / [EDQM FAQs in English](#) / [PRODUCTS AND SERVICES \(Publications, Reference standards, CombiStats\)](#) / [EDQM reference standards](#) / [Ordering EDQM Reference Standards?](#) / What quantity of products should I order?

Answer:

We recommend purchasing only the number of units necessary for immediate use. Once a vial has been opened, the stability of its content cannot be guaranteed. Before ordering, please consult the number of vials per sales unit for each reference standard in our official online [Ph. Eur. Reference Standards Database](#); a single sales unit may contain several vials.
