

# Additional information not provided in the leaflet accompanying a reference standard

You are here:

[EDQM FAQs](#) / [EDQM FAQs in English](#) / [PRODUCTS AND SERVICES \(Publications, Reference standards, CombiStats\)](#) / [EDQM reference standards](#) / [Establishment of chemical reference standards \(CRS\)](#) / Additional information not provided in the leaflet accompanying a reference standard

## Answer:

All information required for the intended use of a Ph. Eur. reference standard can be found either in the accompanying leaflet or in the corresponding Ph. Eur. text(s). No further analytical information (purity, content, exact composition, polymorphic form, etc.) is provided to users.
