

What reference standards does the EDQM supply?

You are here:

[EDQM FAQs](#) / [EDQM FAQs in English](#) / [PRODUCTS AND SERVICES \(Publications, Reference standards, CombiStats\)](#) / [EDQM reference standards](#) / [Ordering EDQM Reference Standards?](#) / What reference standards does the EDQM supply?

Answer:

The EDQM supplies the reference standards required for the proper application of Ph. Eur. monographs. You can find the list and the availability of these standards on the [Ph. Eur. Reference Standards Database](#) (downloadable). Please note that the catalogue is updated on a daily basis, so we recommend that you to use the online database instead of the downloaded version.
