

We used to order a reference standard from the EDQM, but it is no longer in the online catalogue. Can you provide it?

You are here:

[EDQM FAQs](#) / [EDQM FAQs in English](#) / [PRODUCTS AND SERVICES \(Publications, Reference standards, CombiStats\)](#) / [EDQM reference standards](#) / [Ordering EDQM Reference Standards?](#) / We used to order a reference standard from the EDQM, but it is no longer in the online catalogue. Can you provide it?

Answer:

The EDQM supplies the reference standards required for the prevailing tests and assays of the Ph. Eur. Please check that the reference standard is still needed for the monograph in force. It is possible that the reference standard is no longer necessary for the tests and assays of the latest version of the monograph. If the reference standard is no longer in our catalogue, the EDQM cannot provide it.
